

Health Education Network– February 6, 2007 (1:30- 4:00pm)
3530 Wilshire Blvd., LA 90010—8th Floor Conference Room C

Today's Meeting:
Public Health Hot Topics:
Health Education's Role in Emerging Public Health Issues

Purpose of Task Force Meetings:

1. To provide a health education forum for county wide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators' professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

Desired Outcomes of this Task Force Meeting:

1. Learn about the newly established Chronic Disease and Injury Prevention Division.
2. Learn about the newly established Planning and Policy Development Unit within the Division.
3. Learn about built environment projects currently underway in SPA 3 & 4.
4. Clarify how these projects affect health education staff's role within Los Angeles County.
